

Job title	<i>Field Worker</i>
Reports to	<i>Field Supervisor</i>

Job purpose

Under the direction of the Field Supervisor the Field Worker will assist with the general outside farming functions.

Duties and responsibilities

- Repairing and installing irrigation
- Pruning , thinning, planting, painting and trimming trees and cutting suckers
- Working with pole-saw, chainsaw, pruning shears and pole-shears
- Weeding and mowing rows
- Ensuring all faults and maintenance issues are reported to your supervisor and mechanic

Qualifications

- Must be in good health and able to carry out physically demanding tasks as required
- Must be a flexible team player who works well in a busy and demanding environment
- Good eye for detail and quality maintenance
- Able to work for extended periods of time in a focused, safe and professional manner
- Previous farming experience desirable

Working conditions

Our working environment is extremely demanding over a short time period. Applicants should be aware that:

- This is a farming environment and days off may be extremely limited during our picking season
- Working is conducted outside, it is advisable to dress in layered clothing
- Work hours are not calendar based, but are dependent on crop maturity and weather
- Work hours are generally 60+ hours per week and can be longer during harvest season
- Overtime provisions do not apply to this position
- Applicants must be available from March until early to November
